Reviewer Guidelines

All reviewers must adhere and follow the guidelines formed by IJ editorial board.

1. ISIE will provide **800INR** per paper
2. Reviewers must critically review the assigned paper in specified time frame of IJ.
3. Reviewers must follow the full double blind international refereeing process to ensure the quality review.
4. All the review feedbacks must be provided in written form through IJ Review template.
5. Reviewers must highlight the parts of submitted manuscripts that require amendments from authors. The expert reviewer suggestions will be value added.
6. If reviewers find any paper suitable for publishing even then critical remarks should be given in order to improve the quality of manuscripts.
7. The paper will be reviewed by the same reviewer once the suggested changes are done in reviewed paper.
8. Reviewers must maintain the formatting and style of original manuscripts as strictly adhered by templates of IJ.
9. Editorial board of IJ has every right to override any suggested changes by reviewers and their decision should not be ruled out by reviewer.

CONDUCTING THE REVIEW:

1. Reviewing need to be conduct confidentially, the article you have been asked to review should not be disclosed to third party. If you wish to elicit an opinion from colleagues or students regarding the article you should let the editor know beforehand. Most Editor

welcome additional comments, but whoever else is involved will also need to keep review process confidential.

2. You should not attempt to contact authors of the paper.
3. Be aware when you submit your review that any recommendation you make will contribute to the final decision of editors.
4. Depending upon the journals, you will be asked to evaluate the article on a number of criteria. You are required to review article according to following:

Originality, Structure, Title, Previous Research and Ethical issues. (Detail Available on www.imperialjournal.com)
