

STEPS OF PAPER PUBLISHING

There are following simple steps for publishing paper in IMPERIAL INTERNATIONAL JOURNALS (IJ).

- Author has to first prepare abstract and has to send it on Email Id (ijj@imperialsociety.in). Abstract must contain following information.
 - Author and Co- Author Name with college/industry/research labs name, with Email id.
 - Topic of the paper.
 - Abstract.
- Author has to prepare paper as per the guidelines.
- Author has to submit paper through online submission or he/she can send it on Email id(ijj@imperialsociety.in).
- For Online Submission they are required to Sign Up in the website of Imperial International Journals (www.imperialjournal.com).
- After filling up of required details they can submit their Paper Online.
- It is mandatory for the original researcher to submit the filled up Copyright Form.

You will get acknowledgment for the submission of your paper.

Within 20-30 days, you will get review report.

Some information for the author:

(a) If paper is having any type of mistake then Author will get maximum no. of two chances for making changes in the Research Paper. If the Journal is not rectified within the given period of time then the Paper will be rejected and it cannot be published in Imperial International Journals.

(b) If paper is accepted, author will get an email within 24 hours and the author will get a Certificate from Imperial International Journals.

Once the journal is finalized no modifications will be entertained.
